D.5.2351/55

Dated 22.12.55

Sir,

Sub:- Establishment - Agricultural Department Madras Last Grade Service temporary posts of two peons - at the Agricultural Research Stations Pilicode and Nileshwar III - Permanent retention proposals - submitted.

Ref:- G.O.No.M.S.118 Agriculture Department Dated 12.1.55.

The sanction accorded in the G.O. cited for the continuance of the temporary posts of ~~the~~ two peons, one each at the Agricultural Research Station, Pilicode and Nileshwar III will expire on 29.2.56.

The Agricultural Research Stations, Pilicode and Nileswhar III are situated in out of ~~the~~ way places, about 1½ miles from the nearest Railway Station and a mile from the Post Office. Hundreds of parcels of coconut seedlings have to be booked to the consignee from the nursery at Nileshwar III. Booking of other articles of farm produce to be supplied to outside officers, parties etc., has to be attended to promptly. Farm Revenue of these stations are being transmitted to station No.II for effecting remittance into Treasury, while amounts intended for disbursement to mazdoors etc., to be drawn at the main station and forwarded to the two Assistants every week will keep the peons engaged regularly on this item of work. Attending to the work of posting despatches and fetching tappals intended for the Assistants in charge is a daily routine demanding the services of a peon.

2. These two temporary posts of peons were originally sanctioned by Government in G.O. No.M.S.5355 Development dated 19.11.47. They have been in existence for more than five years. The services of these peons are very essential for the normal conduct of the work on the farms and it will be very difficult to carry on the work without them. I therefore request that the Government may be pleased to sanction the permanent retention of these two posts of peons one each for the Agricultural Research Station, Pilicode and Nileshwar III beyond 29.2.56. I request early orders.

sd/ K.C.Naik,
for Director of Agriculture.
